

American Microsurgical Orthoplastic Society

Dr. Alvaro Iborra

Member as of June, 2017

This certificate recognizes the physician as an official member of the American Microsurgical Orthoplastic Society (AMOS). As a member, physicians pledge to support AMOS' mission to create a multi-disciplinary forum for surgeons to facilitate discussion and advances in microsurgical and orthoplastic techniques to improve and enhance patient care and outcomes.

Dominic Rizzo, DPM, Chairman

Edgardo R. Rodriguez Collazo, DPM, President
